Felicitation of freedom fighters of Hyderabad Mukti Sangram and their heirs/relatives

Goals:

To inculcate the feeling of patriotism in the minds of the students. This program is especially organized by our college on 17th September every year

Practice:

India got freedom on 15th August 1947 but the Marathwada region was under the reign of the Nizam of Hyderabad state. Under the leadership of Swami Ramananda Teerth there was a strong mutiny in the Marathwada region against the Nizam of Hyderabad. With the staunch attitude of the then Home Minister Sri Vallabhbhai Patel who took the military action against Hyderabad state on 13 September 1948 the Government of India made military action against Hyderabad state and compelled the Nizam to surrender and merged the Hyderabad state into Indian Republic. On the 17 September 1948 Marathwada region with Hyderabad state was liberated from the shackles of the Nizam of Hyderabad. So 17 September is our independence day.

On the occasion of 17 September the national flag is hoisted and the holiday is observed in the region. In our college will felicitate all the veteran freedom fighters and heirs or relatives of the Martyrs of Hyderabad Mukti Sangram (Hyderabad freedom struggle). The freedom fighters and relatives of Martyrs retell their experience of freedom struggles. The chief guest expresses his views about the history of Hyderabad freedom struggle. The professor and Head, Department of History and Director of Research Centre in History Dr. A. M. Kathare from our college has written four books on this subject.

We organized this felicitation programme to imbibe the moral values like patriotism, respect for republic of India and to cultivate the feeling of self-respect. Because of this practice many students of our college are motivated and inspired to enter into state police services, Military services and B.S.F.
