

**Analysis of Student Satisfaction Survey Academic Year 2022-23**

Shri Shivaji College of Arts, Commerce and Science's Internal Quality Assurance Cell conducted a survey on teaching-process, and other aspects of academics. The questionnaire comprises of 20 multiple choice questions and 1 subjective question for giving feedback and overall observation. The survey was analyzed and forwarded to the respective authority.

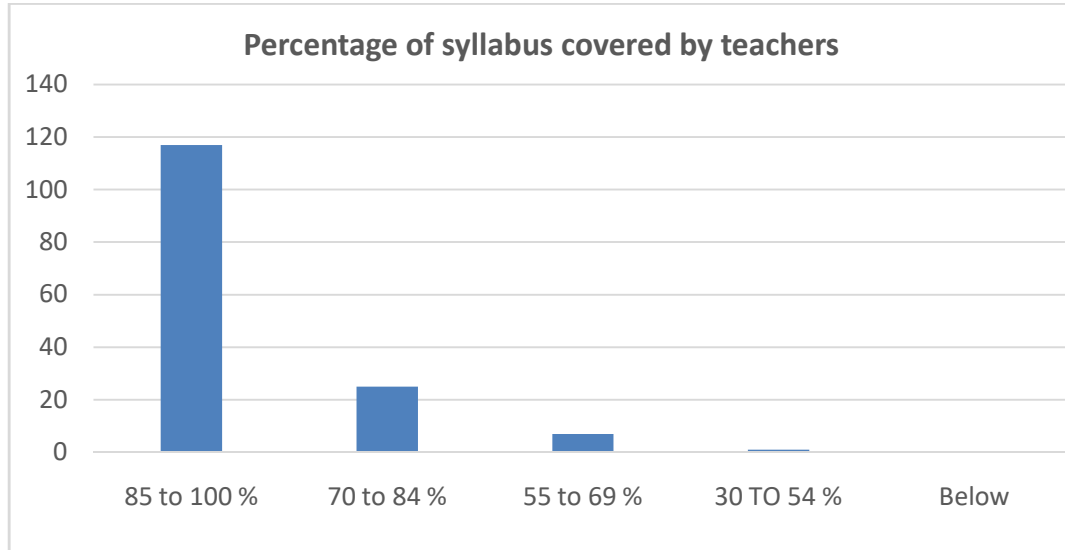

The survey analysis revealed the following points:

- The survey shows that the students are mostly satisfied with teaching and learning process yet, they have also shown their inclination toward improving curricula with practical base of learning. They also indirectly recommended that the teachers should prepare more with updated knowledge. Students expect to get multiple opportunities to learn. The survey also shows that monitoring students progress should be rigorous.
